

EXPERTS IN DESIGN

Our design philosophy starts with you and how you want to use your backyard. Your pool is custom designed around your vision from a play pool, to a diving pool, to architectural statement... from Roman Forum, to Desert Lagoon, from the simplest pool, to an infinity edge...

...It's all about your dream.

EXPERTS IN CONSTRUCTION

The Valley Oasis dedicated construction team will build your oasis with the skill and craftsmanship you expect. We take pride in our work, down to the smallest detail.

Valley Oasis designs are custom made to match your lifestyle.

ENJOYING YOUR BACKYARD PARADISE

No matter the season, Valley Oasis can create a place to enjoy and entertain family and friends. Water and fire features add ambiance while landscape and pool lighting add drama. Bar beques and outdoor kitchens bring cooking and entertaining outside. Fireplaces and firepits create intimate and romantic spaces. Whether you're swimming on a warm summer night or relaxing outdoors on a cool fall evening, your backyard paradise will enhance your home and your life.

Our design follows your dream
